

Riverside Elementary School

Meet the Social Services Team

The Riverside Student Services Team is comprised of four members that work together to promote student mental and emotional health, wellbeing, and academic success! Our team works collaboratively to support the needs of our students and to connect families with necessary resources, whether through the school or community.

School Counselor

Mrs. Batese Mitchell

Greetings,

As the School Counselor I provide group and individual counseling to students. I also provide resources to families and connect parents with community resources. I am available to provide support to  students that may be experiencing a difficult time or having a rough day. I am available to serve and easy to find!

School Psychologist

Mrs. Ware

Hello,
I am Mrs. Ware, School Psychologist. I love to talk about learning and emotional concerns! I am happy to provide advice for whole child wellness! I lead small groups and I also test to determine educational and emotional needs.

School Social Worker

Ms. Alexandria Kugler

Hello,

As the school social worker I support students and families in various capacities. I engage students in counseling support services and test to determine educational and emotional needs. In addition, I provide Child Safety Matters lessons to the whole school. I provide resources to families. You may also see me as a part of the Riverside Attendance team!

I look forward to meeting and connecting with the Riverside Community.
